

CHRIST MAKES ALL THINGS NEW!

On Moravian Music Sunday, we thank God for the gift of music, a heart-felt expression of the faith, love, and hope that we share as brothers and sisters in Christ.

Through our music, old and new, we are reminded that we follow a Savior who does, indeed, make all things new. Through his life, sufferings, death, and resurrection, Jesus Christ brought about a new creation, defeating the age-old enemy, death, and inviting all of creation to share in new life, forevermore. Today, whether we sing new songs written by living followers of Christ, or old songs, written by those who have been called home, we continue to express our faith in ways, both new and renewed.

The Moravian Music Foundation honors the music of our ancestors, and cultivates the composition of new music and words to express our praise and adoration. Moravian music, no matter when or by whom it was created, is an expression of the faith we share, the relationship we have with our Lord Jesus Christ and with one another, in his service. The gift of music is an audible form of comfort, celebration, and worship which connects us to our past, and binds us to one another and to our God.
